Emory University - Laney Graduate School - Online Application

Program: Chemistry**Deadline:** January 3, 2016**Application fee: \$75.00, Page 5 of 11.****Required fields marked with ***

* Research Interest

List up to three Emory faculty members with whom you would like to work.

1.

2.

3.

Briefly (in 250 characters or less) describe your research interests or intended area of specialization and how they relate to past research and training experiences. You will upload your statement of purpose near the end of the application.

* Research Interest or Specialization.

If applicable, list relevant research experiences here. You may also list internship, international, volunteer, or work experience that is directly relevant to your proposed graduate work. You may add additional entries by clicking Add Entry (+) (limit of 5 entries total). You will have the opportunity to upload a CV in the Attach Documents section.

Name of Project or Experience

My Project

Description of Project or Experience (239 characters left of 250)

My success.

Brief Description of Your Role (234 characters left of 250)

I played a role.

Start Date

1

1970

(mm/yyyy)

End Date

1

1980

(mm/yyyy)

Supervisor (if applicable)

Some Lady

Institution

Goofy University

Country

United States

State or Province

GA

City

Columbus

Add Entry (+)

Are you interested in participating in our Initiative to Maximize Student Development (IMSD), an NIH-funded program targeted to increasing admission and graduation of students under-represented in the sciences? (For more information, see imsd.emory.edu (<http://imsd.emory.edu/>))

Yes No

You may use this optional response section to provide any additional information not covered elsewhere in this application. You might choose to address aspects of your previous experience that relate to your readiness for graduate-level research but were not covered in the research statement. We also encourage you to share ways in which your diverse personal experiences--challenges, accomplishments, personal and professional background--contribute to your desire to seek a graduate education in chemistry. (250 character limit)

If applicable, list language proficiency other than English that is directly related to your proposed graduate work. Include both modern and ancient languages as appropriate. You may add additional languages by clicking Add Entry (+) (limit of 4 entries total).
