### February 8
Submit your Application for Degree
- This is a university-wide deadline set by the Registrar, and a Registrar form. Submit the completed paper form to the Laney Graduate School. You can also submit online, in OPUS, if your record indicates that this semester is your anticipated semester of graduation. *(Questions? Contact Tamika Hairston-Miles, tamika.hairston@emory.edu.)*
- If you submitted this a previous semester but did not complete, you need to submit it again.

### If you haven’t already...
... then it’s high time you attend a session on dissertations, copyright and intellectual property issues. Sessions will be announced on the LGS website, and a video is available on Blackboard (log in, go to Organizations, then Libraries, and join the Copyright Education Initiative).

### Late February and/or early March
Attend an information session to learn about submitting your thesis or dissertation. These sessions cover formatting and other requirements, both for the manuscript and for the electronic file; decisions you'll need to make regarding access; and the process of producing and submitting the paper copy for review and the electronic copy for the repository.  
*For more information – and to check dates and locations – visit the Electronic Theses and Dissertations repository at [https://etd.library.emory.edu](http://https://etd.library.emory.edu).*

### April
Attend an ETD submission workshop. These are hands-on help sessions where library staff will help you prepare and upload files.
